

PROGRAMMING AND EVENTS: KIDS & TEENS

APRIL 2025

LIBRARY HOURS: Monday - Friday 9:00 a.m. - 7:00 p.m. Saturday: 10:00 a.m. - 4:00 p.m. Sunday: Closed

509 Cherry St, Jamestown NY (716) 484-7135 prendergastlibrary.org

Construction on our front entrance is expected during **April through mid-May**. At some point during this process, the **library will be closed to the public for 6-12 days** as the entrance will be blocked off. To prevent program cancellation during closure, we have partnered with local organizations **to move programs off-site for the entire month of April**. Please see the list below and contact Danica Olson (dolson@prendergastlibrary.org) with any questions.

Upon reopening to the public, **programs will remain off-site until the end of April** and **some library areas will remain closed** for the safety of library users and staff.

We will post information regarding library closing dates, project progress, and potential program disruptions to social media and prendergastlibrary.org.
